

Reimagine Employee Benefits

The answer to **happy, healthy** and **productive** employees begins with us.

Personalised Benefits

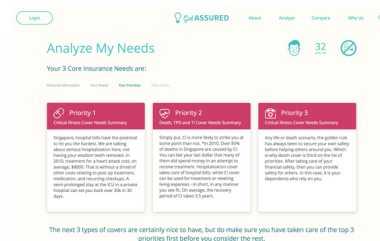

Be a super employer by giving your employees the benefits they truly need.

- Employees get to select their own insurance coverage instead of being on a one size fits all programme.
- Through our Analysis feature, employees can easily ascertain the amount of coverage they need.
- Free financial literacy programmes are also in the works - after all, financial savvy employees make happy employees.

Reduced Spend, Greater Value

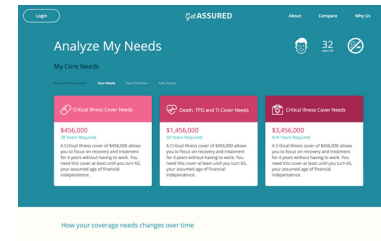

We help you value-add to your employees with attractive commission rebates.

- We provide commission rebate for your employees when they purchase their coverage through us.
- Employees get great savings and you get to deliver greater and more impactful value to your employees.

Zero-cost Implementation

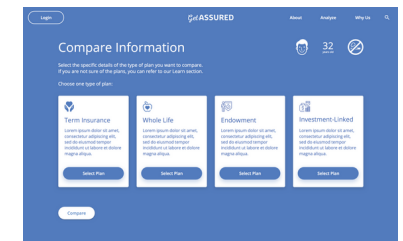

Why spend on unnecessary setup and subscription fees? We promise to charge no fees, forever.

- Value add to your employees by providing them an easy to use portal to complete their insurance purchase.
- There's no subscription fees involved, we make it free for companies to adopt our platform.
- We even customise the platform for you.

Hassle-free Setup

Deciding on an employee benefits programme shouldn't be a confusing process. Let us do all the work for you.

- We promise a fuss-free setup with minimal input from your side.
- Our platform is delivered ready for your employees' use.
- Clear-cut and easy-to-use features so your employees.

How It Works

Algorithmic Analysis

We help your employees find out what benefits they really require through our algorithmic analysis.

Comparison and Quotation

Our platform allows your employees to compare and decide on the products that best suits their uncovered needs.

On-demand Advice

Have a query? Need assistance? Get on-demand advice from the trusted pool of advisors that we work with.

Benefits Application

Once your employees have decided on their benefits they want, an advisor will meet up with your employee at a time of his convenience to assist with the necessary documents and forms.

Document Delivery

Once the application is processed, the insurer will send your employee their policy document via mail.

Here at GetAssured for Business, we aim to ease the weight off your shoulders by making things **as simple as possible for you**. There is absolutely NO hassle on your part, thereby **we help you save a significant amount of time and costs** without compromising on your employees' benefits, welfare and happiness.

Why Us

Experience

With over two decades of experience, we understand the business from inside out, and are the best people to talk to about employee benefits.

Partnerships

We've formed amazing partnerships with companies that are collectively committed to transforming the employee benefits space.

Service

Technology is the backbone of our solution, but our team of professionals is laser-focused on delivering value beyond our customers' expectations.

Innovation

We are reimagining employee benefits with the aim of delivering greater value at lower costs.

About Us

GetAssured for Business is Singapore's first life insurance based employee benefits portal. We started with one sole purpose: to empower companies to value-add to their employees at no cost. With almost two decades of combined experience in the employee benefits and life insurance industry, our team is committed to helping employers take better care of your employees at no additional cost so you can focus on what you do best - building and growing your business.

**"We believe in helping you achieve a happier workforce
without breaking the bank."**
