What Are Your 3 Core Insurance Needs?

[Personal Information](#)[Your Needs](#)[Take Action](#)

Death, TPD and TI Cover Needs

\$1,193,882

22 Years Required

The Death Cover typically includes the Terminal Illness and Permanent Disability Covers. It lends financial dependents a hand with their financial loss for a fixed period of time. This can be funeral costs, living expenses, or school fees. The Death Cover supports your family and provides them a secure way to protect their future. E.g. a child to complete university, a widow or widower who requires temporary financial support till they can bounce back.

Critical Illness Cover Needs

\$154,013

7 Years Required

Critical illnesses go hand in hand with income loss. The Hospitalisation Cover complements the Critical Illness Cover. The aim of these two covers is to let you focus on recuperating rather than earning. Some CI Covers covered by the total sum assured.

Disability Income Cover Needs

\$24,000

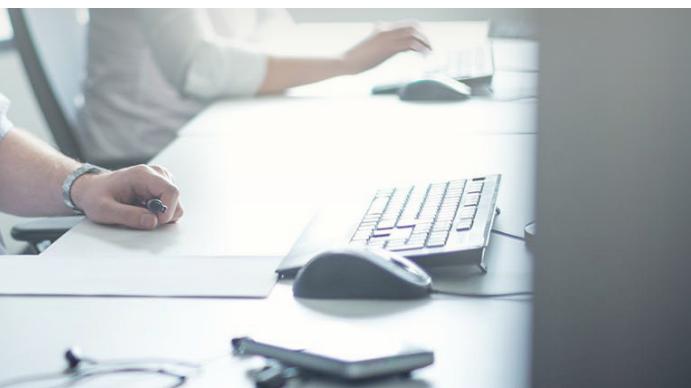

35 Years Required

Disability might mean a significant loss of income if it puts you out of work for a lengthy period of time. Disability income helps to mitigate this risk so you can

With over two decades of experience, we understand the business from inside out, and are the best people to talk to about employee benefits.

Service

Technology is the backbone of our solution, but our team of professionals is laser-focused on delivering value beyond our customers' expectations.

Partnerships

We've formed amazing partnerships with companies that are collectively committed to transforming the employee benefits space.

Innovation

We are reimagining employee benefits with the aim of delivering greater value at lower costs.

How It Works

Algorithmic Analysis

We help your employees find out what benefits they really require through our algorithmic analysis.

Comparison and Quotation

Our platform allows your employees to compare and decide on the products that best suits their uncovered needs.

On-demand Advice

Have a query? Need assistance? Get on-demand advice from the trusted pool of advisors that we work with.

Benefits Application

Once your employees have decided on their benefits they want, an advisor will meet up with your employee at a time of his convenience to assist with the necessary documents and forms.

Document Delivery

Once the application is processed, the insurer will send your employee their policy document via mail.

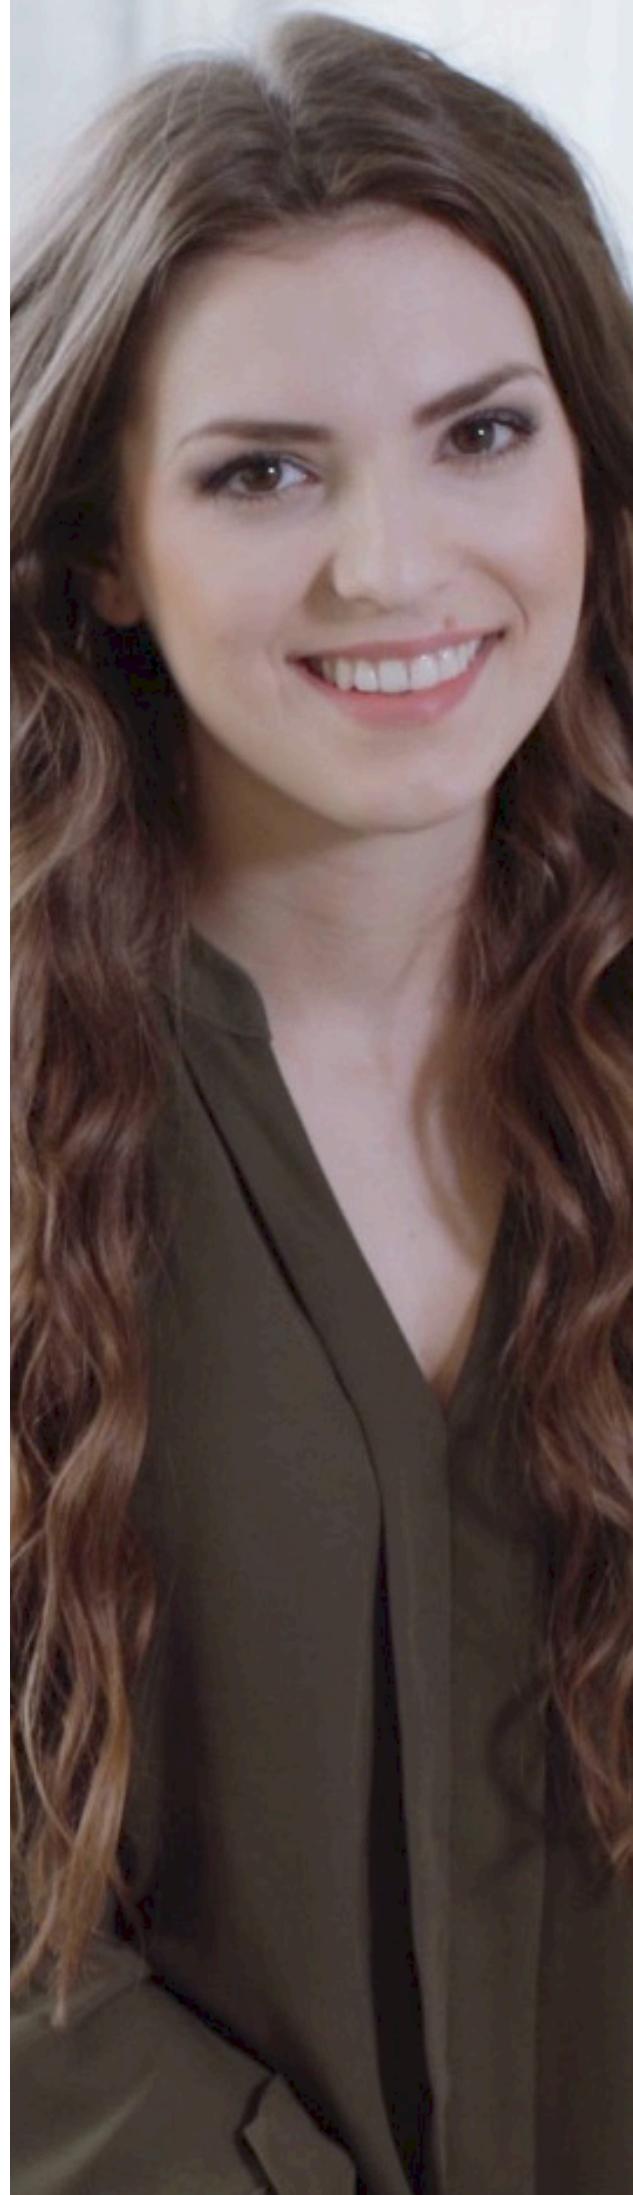

Here at GetAssured for Business, we aim to ease the weight off your shoulders by making things **as simple as possible for you**. There is absolutely NO hassle on your part, thereby **we help you save a significant amount of time and costs** without compromising on your employees' benefits, welfare and happiness.
